

Are You Prepared for Medical Emergencies— In-Flight and Third World Countries?

We will discuss how to be prepared and address in-flight medical emergencies ranging from forgotten meds, loss of consciousness to full cardiac arrest taking into account the limited space and equipment on board. We will also discuss international destinations, how to be prepared and what to take to minimize contracting diseases and be equipped for medical care.

Directions: Directions to Venue: From I-275 N or S Take exit 31 to merge onto FL-688 W Ulmerton Rd. Continue on Ulmerton, past Roosevelt Blvd. to Hwy 19. On the right.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
